

Live circles (these are also recorded but please do attend live if you can)

Your Wisdom Working Circles are on Wednesday evenings at 20:00 GMT; they are normally spaced one month apart but there are exceptions to accommodate school holidays.

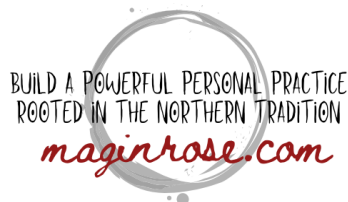

Your content modules

Awakening sessions open on the day of the rune’s half-month (the 2 week period when the Sun is in the sector of that specific rune). Rune Practice sessions open on a Wednesday approximately every 2 weeks.

Keeping up with the dates

We will send you an email at the beginning of each month with your schedule. The Wisdom Working Circles are also scheduled in the Facebook group so you can add them to your diary. The Zoom room we use is the same every month (included in your key information section) – please make sure you have a note of it so you aren’t struggling to find the details just before the session.
