

# Awaken to the Runes 23-24: Dates for my diary

## Live circles (these are also recorded but please do attend live if you can)

Your Wisdom Working Circles are on Wednesday evenings at 20:00 London time; they are normally spaced one month with a few exceptions.

## Your content modules

Awakening sessions open on the day of the rune's half-month (the 2 week period when the Sun is in the sector of that specific rune). Rune Practice sessions open on a Wednesday approximately every 2 weeks.

## Keeping up with the dates

Your Wisdom Working Circles are scheduled in the Facebook group so you can add them to your diary; you will also receive an email reminder the day before each circle. The Zoom room we use is the same every month (included in your key information once you are in the Awakening members hub) – please make sure you have a note of it so you aren't struggling to find the details just before the session.

## Times

All the Wisdom Working Circles are London time. You can use a converter to work out the time they will be in your location e.g. <https://www.timeanddate.com/worldclock/converter.html>
