

Yggdrasil's path 2023 : Dates for my diary

Yggdrasil's Path is a facilitated journey of discovery into northern tradition shamanic practice. Through the journey you will:

- Access personal and collective wisdom through seership and direct revelatory experience
- Honour and connect with the earth-centred spirituality of northern Europe
- Work with the concept of the woven soul to access soul clan, personal guides and step into wholeness
- Discover shared and personal places of power and wisdom beyond the veils of our 'ordinary' reality

Keeping up with the dates

You will receive emails with your joining information for the two preparatory sessions for Yggdrasil's Path 'Healing with the Runes'.

Your Zoom room information for Yggdrasil's Path will be published in the private Facebook group of Yggdrasil's Path. The Zoom room we use is the same every session – please make sure you have a note of it so you aren't struggling to find the details just before the session. Our sessions will also be live streamed into the group so you can catch up with them again later. You will also receive reminder emails ahead of the sessions.

All real-time sessions are London time. You can use a converter to work out the time they will be in your location e.g. <https://www.timeanddate.com/worldclock/converter.html>
